Families who have lost loved ones recently

School is starting!! Many schools (K-12) are nearing or already are at their start dates and many college-bound students are packing to head out and/or head back to the classroom. Teachers, staff, and administrators are putting the final touches on the new school year. Let's lift up our schools and families and teachers and support staff as they ready themselves to be used by God and to be equipped to make a difference in the world for the Kingdom of God.

Bob & Rosie Huizenga have transitioned to an assisted living apartment. This will provide the supports they need for on-going care. They celebrated their 63rd wedding anniversary this past week. Their new address is: The Huizingas, 9100 Bon Air Crossings Dr. #341, Richmond VA 23235. Bob's Cell Phone remains their current contact number: 320-979-7593. Pray for God's continued sustaining grace in this season of life for them.

Thanks to all who remembered us during this time of loss. We

appreciate you reaching out to us either with cards, texts, calls, or praying for us at this time. We appreciate it.

Love,
Lee, Sandy and family

STEWARDSHIP
Managing God's Gifts To Us

9-foot corn. As we enter August, the corn along the north church driveway stands nearly 9-ft tall. It was barely a month earlier that that same corn stood less than half that height and we wondered if it would reach maturity with the drought happening. Now it's 9-ft tall and with multiple ears of corn taking form. It's not that we had an abundance of rain since a month ago. We're still in a drought. But timely showers, bright sun, and good tending by the farmer have created room for this corn to thrive. Stewardship in the church has a similar impact. Gifts are given, planted into the life and lives of this church, and through the Holy Spirit and the timely rains and sunshine of God's love and grace in the hearts of His people, the church is at its best. Just as there's no 9-ft corn if there's no seed planting, there's no best in the life of the church unless God's people steward spiritual gift-planting to create room for God's work to manifest. Looking forward to the harvest before us - in the local fields and in God's Church.

Important Construction Update!! As work continues on the road past the church, both driveways are now accessible. However, you will need to drive "down" into the construction to come "up" the driveway into the church parking lot. As of FRIDAY morning, Prinsburg Ave. (the street south of the ballfield that leads into our north driveway) is closed to get to our north driveway. It is anticipated that both driveways will be accessible this Sunday. Thank you for exercising caution as you enter/exit the church driveways. Excited to see the finished product the end of September!
