STEWARDSHIP
Managing God's Gifts To Us

A Little Yeast - A Lot of Bread: There is power in the little things. Sometimes we think that little means insignificant. That's not always true. Just a little yeast can turn a lump of water and flour into a large loaf of tasty bread. The Scriptures call us to give generously and sacrificially. But just like the yeast, the dollar amount is not what's significant, it's recognizing that much or little, God has purposes for each gift and it matters. Sometimes we get lost in our giving because we compare our amount to others. God calls us to give according to what He has supplied us with and from our heart... no matter the amount. Give. Give for the joy of it. Give to see the "yeast" of your gift be used by God to do great things!
