Graduates!

We're so proud of you for all you've accomplished.

We all know, though that this isn't an ending but a beginning.

We are not rooting for you to become rich and famous or to set world records or to have cozy, comfortable lives.

We are praying that your generation would come face-to-face with Jesus when they get to know you.

We are rooting for God's Love to be undeniable in your actions and in your words.

And we are asking for God's Spirit to give you comfort and to give you strength and to fill you with joy in Christ as your next adventure begins.

Welcome.

When the sun rises and when it sets...
We Remember

In the warmth of the day and the cool of the night...
We Remember

When life abounds around us and in the quiet stillness...
We Remember

In our happiest moments and when under the weight of grief...
We Remember

In overwhelming joy and when sorrow overcomes us...
We Remember

As long as we live they live through us their gifts of liberty remain
a part of us so, today and every day ...

Every year, Children of the Promise holds a Spring Campaign. This year our theme is Fanmi = You belong.

Family, or “Fanmi” in Haitian Creole, is at the core of Children of the Promise’s ministry. We ask that you join with us in learning about and celebrating the ways God uses unique family structures to serve the needs of the children we serve. Our goal is to raise \$75,000 towards general operations, which will allow us to sustain the day-to-day ministry of providing support and care for at-risk children and families in Haiti. We are excited to announce that we have already raised just under \$17,000 in the first two weeks! We are excited and prayerful about what the next four weeks will hold for us as we trust in God's provision. Please consider partnering with us in prayer and giving. Visit our website to give at childrenofthepromise.org. Every \$30 donation will receive a unique spring campaign t-shirt in the mail or we can set up a time for you to pick up in our Willmar Office! And follow us on Facebook/Instagram to receive unique spring campaign content!

Incoming 6th Graders are invited to a breakfast at Perkins in Willmar at 9:30-10:30 AM on June 8. For those in the Prinsburg area, a van will be leaving from Unity CRC at 9AM. The breakfast will be an opportunity to introduce new 6th graders to the ministry and give some info about the fun coming this Summer! Please RSVP by emailing SolidRYG@gmail.com.

You are making a difference! On behalf of the ministries of the Christian Reformed Church in North America, thank you for your gifts to ministry shares. Your support enables congregations to do so much more to further God's Kingdom than any one church could do alone. Our denomination could not impact the world through missions, media, and church development without your incredible and faithful support. Thank you! To discover more visit crcna.org/ministryshares.

Call to Prayer:

We continue to lift up our Shepherding Elder, **Roxie Marcus, who's sister, Viola**, passed away last weekend, and who's service was held this past Friday in Ankeny, IA. May God continue to uphold you, Roxie, and your family.

Tammy Elsing requests prayers for **her father, Gary**, who was diagnosed with a cancerous mass on his lungs this past week. He is currently hospitalized in the Cities. May God grant His healing mercies for Gary and His peace for the family.

Carl Blomberg was transferred to a rehab facility where he continues to make progress following his heart surgery. May God continue to pour out his healing.

We grieve with **the families of Uvalde, Texas, and their community** following the tragedy at Robb Elementary this past week. May God comfort and strengthen these families and may He grant wisdom to the leaders of their community and beyond as they respond to the needs that arise from this tragedy.

Please pray for **Andi Marie Brouwer, infant daughter of our son Neil and his wife Hannah, granddaughter of Dan & Sarah Brouwer and great-granddaughter of Wilson and Linda Brouwer and Jeff and Jewell Plowman**. Andi had a seizure on Thursday, and has been diagnosed with bacterial meningitis. She is in a critical care unit at the Bozeman Hospital as they run tests and administer antibiotics. Please pray for a smooth insertion of PICC line on Saturday morning, that her body responds positively to the anticipated treatment over the next 14-21 days, and her brain fully heals from the swelling and seizure.

If you would like to receive prayer requests and notes regarding the needs and joys of families within our church and community, please email Kerry Breems with your preferred email address to kerrybreems@gmail.com

May God continue to pour out His grace and love into the lives of those from our fellowship with ongoing needs. Please remember...

Trinity Hill Prayer Requests - Pray that God would continue to lead them and empower them by His Spirit as they are sent into their neighborhoods and communities to share His love in word and deed.

Pray that the Spirit would help them connect with their neighbors and that they would be salt and light in the world.

Pray for their youth and children's ministries. Their GEMS program just wrapped up for the year. They have a new children's ministry during Sunday worship and they are planning Vacation Bible School for June 15-17 and 19. Pray that those ministries would grow and flourish and that many kids would hear and know about God's love for them.

Pray that God would lead them and provide for them as they consider their location long term. It could mean simply staying where they are, or perhaps moving to a more permanent location that they could call their own. Pray for discernment and wisdom as they seek God's leading and that God would continue to provide for their needs.

Pray for their church as they continue to mourn the loss of their pastor, Arlan Koppendrayer. Pray for healing, comfort, and peace. They miss Arlan and they are thankful for all that God did through him, and they are grateful for the way that God has walked alongside them during this time of change and transition.
