**Welcome to Worship at Unity!** Welcome everyone! To all our  
guests today, we are blessed to have you here and ask if you  
would indulge us today as we tend to the good work of budget and  
ministry immediately following our worship service today!  
There will be coffee and goodies for you and we will join you  
when our work is completed! Thank you for understanding!

## Call to Prayer:

We continue to lift up those who have lost loved ones in the last couple of days/weeks: **the Morris family, the Ledeboer family, and the Hendrickson family.** May the God of comfort and encouragement encourage your hearts in Christ Jesus and may His peace sustain you for the days ahead.

We also continue to lift up those who are battling serious health issues: **Hub Wieberdink, Roger Ulferts, Trudy Erffmeyer, as well as extended family members and friends of the Unity Church family.** We ask that God's power would be made perfect and complete in and through our weaknesses, and that His glory would be revealed.

Let's also remember those from our church family who reside in long-term care facilities: **Dorothy Slagter, Shirley Bonnema, and Norm Duininck.** We pray the presence of God fills their rooms and facilities and that they may know the loving touch of His Spirit daily.

Several from our church family are limited in mobility and ability to get out regularly and often worship with us remotely. Today lift up in your prayers: **the Tellinghuisens, the Wieberdinks, the Ulferts, and the Marcus'.** May God's Spirit unite our hearts supernaturally as we seek to be the body of Christ here at Unity.

Recent decisions by ecclesiastical bodies and the courts in this land have impacted the lives of millions of people, including the lives of believers. We give thanks for those decisions that align with the Word of God and reiterate the importance of truth and righteousness. We are also keenly aware that such decisions require navigating a way forward and can cause angst and turmoil in our homes, schools, communities, and faith communities. May the Shalom of God grant courage and wisdom, love and grace to the faith community to rightly respond to all that is taking place at this time.

Thank you for the blessings!
