Prayer Requests

Your requests will be prayed for during the week by people from Unity Church.

I would like this to be anonymous

I would like to talk to a pastor or elder about my prayer request.

What does it mean to have a personal relationship with Jesus Christ?

If today you have felt the tug of God on your heart... if you've sensed that something is missing in your life... then it's probably time you start looking to God for some answers. He knows you inside and out - your hurts and your joys - and He wants to give you more than you can imagine.

But, as we all have to admit, we have done and continue to do things we know we shouldn't. And because of that sin, we are separated from God, who is holy and just and cannot tolerate our apathy toward or distrust of Him. In fact, He has to punish us for it. Thankfully, God sent His one and only Son, Jesus Christ, to take the punishment we deserved on Himself by dying on the cross.

He now invites us to enter into a relationship of love with Him. God's word says that to as many as receive Jesus, who believe in Him, He will make them children of God and give them eternal life.

If this is you today, we invite you to talk with our pastor or elders - or to simply pray to God that He would forgive your sins and grant you eternal life, and He would give you the desire and ability to commit your life wholeheartedly to Him.
