## Welcome to Unity

It’s **GEMS SUNDAY**! We are so glad you chose to worship with us today. A SPECIAL WELCOME TO OUR VISITORS! It is an honor to worship with our neighbors who believe with us in the one true God, Jesus Christ our Savior and Lord & His promises He has for each of us. Transformational living means surrendering our whole being—body, soul, and mind—to God. Pastor Dan will share today, how our bodies are temples of the Holy Spirit, essential in expressing our faith and worship. Since sin often tempts us through bodily desires, we must resist and offer ourselves as living sacrifices, aligning our lives with God’s will in all we do. Please stick around after the service for fellowship and special treats from the **GEMS** as we recognize God’s gift of girls and how God can transform each of us into the child of God that He has pre-ordained us to be for His kingdom.
