Welcome to Unity

We are so glad you chose to worship with us today. Even after the resurrection, Jesus’ closest followers didn’t recognize Him walking beside them. Today’s message reminds us that revival often begins unnoticed — like a fire kindled in our hearts before our eyes are opened. We are called to recognize Jesus in our everyday lives, trust Him without seeing, and step into a revived unity that heals, restores, and sets us ablaze with purpose. As we install new members of our council, let’s let our hearts be touched by the Holy Spirit’s fire and trust Him with every part of our life. .
