WELCOME

We are so glad you have chosen to worship with us today. It's a great day to be part of the church. Be sure to take a moment to encourage our missionaries at the tables in the fellowship hall during breakfast and after the worship service by writing them a Christmas greeting from across the miles. Some missionaries receive very little mail, so we'd like to bless them by sending them a large package of love from Unity.

Also, Pastor Dan is back with a favorite message. Paul's final plea urges believers to act before it's too late—to restore relationships, pursue godly character, repent, and come to Christ while there's still time. God alone lights the fire, but life is short—today is the moment to respond. Let's prepare our hearts to be bold followers of Jesus Christ.
