WELCOME

We are so glad you came today! God is moving in great and mighty ways here at Unity and we invite you to step into His plan. Stick around after worship and find someone to bless. We need each other, church, like Paul and Barnabus.

This morning, we see Paul and Barnabas face division, false worship, and even violent persecution, yet they refuse to quit. From being hailed as gods to being stoned and left for dead, their steady resolve shows us that victory isn't about comfort or applause, but faithfulness. Join us as we discover what it means to live as determined disciples.
