# WELCOME

We are so glad you came today! It is good to go the house of the Lord. Grace awaits you today. May you receive all that He has planned for you today and the coming week as we gather together to praise and worship our Lord and Savior together!

This morning, Pastor Dan continues on in Acts 15, where the early church faces a crisis over whether salvation is found in Christ alone or in Christ plus something else. As the gospel is pressured by performance and religious confidence, the Holy Spirit leads the church back to grace, rooted in Jesus alone.
