WELCOME

We are so glad you chose to worship with us today!
In Acts 19:1-20, we see the Gospel's power on full display as it calls people to genuine faith in Jesus, exposes counterfeit spirituality, and transforms lives through repentance and surrender. Through encounters with incomplete belief, false authority, and costly obedience, God demonstrates that true power is found in Christ alone. Let's discover how the Gospel continues to prevail and what it means for us to live in the power of the Holy Spirit today.
