Acts 21:1-16

ROOTED in the Word

1) Paul says, "*I am ready not only to be bound, but also to die…for the name of the Lord Jesus*" (v. 13). What does this reveal about Paul's priorities?

2) The passage ends quietly with, *"After this, we started on our way up to Jerusalem" (vv. 15-16).* Why is this simple, obedient act a powerful ending?

GROWING in Grace

1) The believers repeatedly prayed with and encouraged Paul. How has God used Christian community to strengthen you during difficult seasons?

2) Is there an area where you know God is calling you to obey, but fear or uncertainty is holding you back?

3) What unknown future are you currently trusting God with, and how can this passage encourage your faith?

REACHING Others with Christ

1) Following Jesus often means leaving our comfort zone. Is there someone God may be calling you to serve, invite to church, or share the Gospel with?
