Sermon Discussion Questions
Just as He Promised
Acts 27:27-44

ROOTED in God's Word

1) Paul was promised that all the sailors would survive, but they had to stay on the ship (vv. 27-32). *What is the relationship between God's sovereignty and human responsibility?*

2) *What do you think it means that "God's promise leads us to act faithfully?"*

GROWING in Grace

1) *Which temptation do you struggle with more: **anxiety**, believing everything depends on you, or **passivity**, believing your actions do not matter because God is sovereign?*

2) Paul could eat because he believed there was a tomorrow. *How does confidence in God's faithfulness change the way we live today?*

REACHING Others

1) Paul publicly thanked God while surrounded by people who did not worship the Lord. *What can we learn from the way he openly demonstrated his faith in the middle of a crisis?*

2) *What are some ordinary ways you can demonstrate God's care to someone going through a storm?*

Unity Challenge

1) Identify one situation you cannot control.
2) Pray specifically about it each day.
3) Take faithful action and entrust the outcome to God, remembering that "the ship may break apart, but God never breaks His promises."
